## COMFORT FOOD IS ON THE MENU. TIME TO SNUGGLE IN AND HIBERNATE.....

The weather is colder and it's time to think about making the food that makes us feel good. Oatmeal in the morning and a nice pot of soup for dinner. Sitting by the fire with a cup of tea and a piece of tea cake sounds terrific this time of year. Take time to rejuvenate after the holidays.....

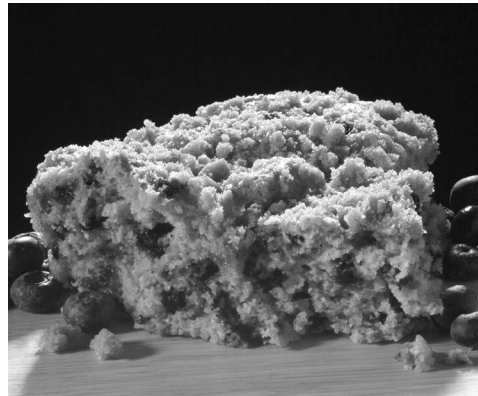

### FIVE SIMPLE INGREDIENTS FOR 1 GREAT BREAD

In this high tech, moving at the speed of light world, don't forget about the simple goodness of our Honey Whole Wheat Bread. Made from 5 simple ingredients (freshly milled whole wheat, filtered water, honey, yeast, and salt) this phenomenal bread has NO PRESERVATIVES, yet will last 7 to 10 days when stored properly (at room temperature, not in the refrigerator--the cold air will dry it out). Remember, we handmade our Honey Whole Wheat from scratch everyday! So slow down and come in for a fresh slice today.

### HEARTY SOUPS AND WHOLE GRAIN BREADS!

Nourish your family with one of our hearty Frontier or Maggie & Mary soup mixes, or our ready to heat Low Country Produce Soups, complimented with slices of some hefty Great Harvest whole grain bread. This combination will guarantee a satisfying, nutritious, cozy supper on a cold Winter's night. Our customers LOVE our soups! The Maggie & Mary's are complete in the box, and the Frontier Soups require some fresh ingredients from the grocery. So put some on today and get those taste buds working as soon as they come in the door from school or work!

### WHITE CHOCOLATE CHERRY SWIRL
